

Cheatsheet
The **typical scam call**

1 **Unknown person** calling
*claims to be from a tech company
(bank, Internet Service Provider, ...)*

2 Tells you your
device is affected

3 Wants to **connect to your device**
_____ or _____
wants you to connect to his device
using **any remote control tool**

4 **Be aware:** This is
probably a **scam**

5 **Stop the call**
and stay safe
